T/SOR/22/2/3

AGAINST WAR ACT OR PERISH

SCOTTISH COMMITTEE OF 100

48 DUNDAS STREET, GLASGOW, C.1 Douglas 6198

Dear

Many Committee members and supporters are not helping the Committee at all either financially or actively. This is very disappointing, especially in the case of Committee members, at a time when we are organising our biggest demonstration since the first 'Holy Loch'. The full-time office workers and the working group are over burdened with the amount of work and are also hampered by lack of finance which members are supposed to give.
We hope that all members will be at Rosyth but if you are not coming could you send in money instead.
To give us some idea of the numbers to expect and to find out the people who are willing to help could you PLEASE, we repeat PLEASE, take the bother to return the questionaire

.....

(1) Are you willing to take part in the attempt to enter the base? (As a Committee member we hope you will) .....
(2) Are you willing to take part in the marches and picket? .....
(3) Are you willing to help organise the demo? .....
If you are state what; General Office work .... Flyposting ....
Chalking slogans on walls ..... Poster Parades ..... Leafleting .....
Going round supporters in your area to see if they will come on the demo and to collect money from them .....
(4) Can you send money to pay for full-time workers salaries (there are three starving people in the office). Leaflets, Mailing etc.
I enclose £ : :

Signed .....

.....

Looking forward to hearing from you

Yours sincerely,

(Rosyth Project Secretary)

CIRCULAR TO PEOPLE WHO HAVE TAKEN PART IN CIVIL DISOBEDIENCE WITH THE COMMITTEE OF 100

About 500 people from Scotland have sat down at our demonstrations at the Holy Loch and the Americal Consulate. A further 500 Scots have taken part in the direct action in George Square, London, Inchterf and R.S.G. Scotland. If all of you take part in Rosyth, this, combined with the people who are coming up from England and those who will commit civil disobedience for the first time, will make Rosyth the biggest and probably the best demonstration ever! WILL YOU COME?
